

List of Paulist Fathers with Credible Claims of Sexual Abuse of a Minor

The Missionary Society of St. Paul the Apostle, The Paulist Fathers, was founded in 1858. The Paulist Fathers have served in the United States, Canada, South Africa, and Italy in our 160 year history.

This list of Paulist Fathers, living, deceased, and departed, with credible claims of sexual abuse of a minor, dating to 1943, is being published as part of our on-going commitment to transparency and accountability.

Since the revelations of clergy sexual abuse in Boston in 2002, there has been significant effort to reform and change how the Church and the religious communities like ours handle claims of sexual abuse. While even one case is abhorrent, it is important to note that safeguards have been put in place to create safe environments in our ministries for everyone.

This list contains the names of Paulist Fathers who are or were members of the Missionary Society of St. Paul the Apostle against whom a credible claim of sexual abuse of a minor (under the age of 18) or a vulnerable adult has been made. The list also includes Paulist Fathers listed by other archdiocese or diocese.

Inclusion in this list does not imply that the claims are true and correct or that the accused individual has been found guilty of a crime or liable for civil claims. In some instances, the claims were made several years or decades after the alleged events and were not capable of an investigation and determination.

Some claims were received after an accused priest was deceased. In those instances, the accused was unable to defend himself or deny the charges. The Society was unable to undertake a thorough investigation.

While we attempted to be as thorough and accurate as possible in compiling the list, the Paulist Fathers will continue to undergo a review of our files. If additional cases of Paulists with credible claims of abuse are identified, we will release those names as well.

We encourage anyone who has felt victimized by a Paulist Father to contact Rev. John Behnke, Safety Officer of the Paulist Fathers or Antonia Nedder, Paulist Victim Assistance Coordinator, at 212 757-8072, as well as appropriate law enforcement and child-protective agencies.

DECEASED AND FORMER PAULIST FATHERS WITH CREDIBLE CLAIMS

Some claims were received after an accused priest was deceased or departed the Society. In those instances, the accused was unable to defend himself, deny the charges, or be reached. The Society was unable to undertake a thorough investigation. Deceased and former individuals are included in this list based upon the fact that an accusation was reported and found credible.

DECEASED AND FORMER PAULIST FATHERS NAMED IN DIOCESAN LISTINGS

Some Catholic Dioceses have previously published lists of accused clergy. In these instances, The Paulist Fathers did not have the opportunity to conduct an independent review. In addition, these claims were received after an accused priest was deceased and thus was unable to defend himself or deny the charges. Consequently, The Paulist Fathers now re-publishes those lists of names already in the public domain.
